

# 2010-2011 KINDERGARTEN REGISTRATION

You are encouraged to register at the elementary school closest to your home. If that doesn't suit your schedule, please feel free to go to another school. We have one evening registration available for your convenience.

Registration at a school does NOT guarantee that a child will be attending that school. You will receive that information later this spring.

Children reaching their 5<sup>th</sup> birthday on or before September 15<sup>th</sup>, 2010 are eligible for enrollment.
